

BALTIMORE givecamp 2013

GiveCamp is a weekend-long development marathon where software developers, designers, analysts, and project managers come together to donate their time to help non-profit organizations with their technological needs.

BE A PART OF MARYLAND'S LARGEST VOLUNTEER TECHNOLOGY DONATION.

Last year, over \$320,000 of donated service was contributed to the Maryland non-profit community through GiveCamp.

WE NEED YOUR HELP AND CONTRIBUTION!

As a sponsor, you'll help to offset these costs, and in exchange, get great exposure to over 200 passionate, motivated IT and development professionals as well as over 30 Maryland area non-profit organizations and their members. All Camp Leader and Camp Guide level sponsors are guaranteed a table space for promotional display should they choose. All others are based on availability.

SPONSORSHIP OPPORTUNITY LEVELS

There are a number of costs associated with running a GiveCamp. For some sponsors and contributors the preference is to contribute at a level and be recognized at that level (i.e. Camp Leader). Others may wish to choose a specific package and be recognized based on that package. Below is a list of the levels and packages. Please note that all package options are first-come availability.

Level: Camp Leader	\$1000
Package: The Lunch Wagon—all lunches	\$1800
Package: The Dinner Club—all dinners	\$1375
Package: Sunday lunch	\$1000
Level: Camp Guide	\$500
Package: The Breakfast Club—all breakfasts	\$550
Package: Saturday lunch	\$800
Package: Friday dinner	\$775
Package: Saturday dinner	\$600
Package: The Snack Pack—snacks for the weekend	\$575
Level: Camp Counselor	\$250
Package: Saturday breakfast	\$275
Package: Sunday breakfast	\$275
Package: The Drink Tank—coffee, sodas and water	\$475
Level: Camp Supporter	\$100
Level: Troop Member	under \$100

Choose a Level or a Package today and be part of Baltimore GiveCamp 2013
